Dear Parents,

I hope this note finds you well and safe.

It is after much reflection, in light of the current health crisis, that Father Yesalonia, Mr. Rooney and I have decided that the Two's Program will commence in January 2021, instead of the originally scheduled start date of September 2020.

We appreciate and understand the commitment of time that you have given to St. Ignatius Loyola Preschool throughout the admissions process to find the best school environment for your child. Hence, as we look ahead to the upcoming school year with the uncertainty of the Department of Health guidelines with respect to changing diapers, training your child to use the restroom and maintaining social distancing among two-year old's, we feel the decision to follow a delayed opening for the Two's Program until January 2021 is in the best interest of all involved.

If your child is between the age of 2 years old to 2.5 years old, he or she will begin school on Monday, January 11, 2021. For the health and safety of your child and your child's teacher, your child will be required to be toilet trained prior to the start of school in January.

It is important to note that your tuition will be prorated from January 2021 through June 2021.

Stay safe and well. Enjoy the summer. We look forward to seeing our two's families in January.

Sincerely,

Mary E. Larkin
Head of School
